

# Spend £30 at Barford Tackle & get a FREE Computer Health Check

Is Your Computer running slow?  
When was the last time it had an oil change?

It's important to maintain your computer on a regular basis to help prevent system crashes and to optimise your computer's performance. Computer systems can become clogged due to the constant installation of programs, internet browsing and general day to day use.

Just as a car has an oil change, your computer's operating system, known as "Windows" needs regular attention. You may have noticed already that your computer isn't as fast as it used to be.

Norwich Computer Company, in conjunction with Barford Tackle is offering a **FREE computer health check** (normally £35) to Barford Tackle customers who have spent over £30 in store (not including pellet and sale or offer items). Once voucher is gained from Barford Tackle it can be submitted to Norwich Computer Company for a full health check to optimise your computer and get it running to its full capabilities.

**Health Check Includes:** DELETE TEMPORARY FILES, REMOVE INTERNET CACHED FILES AND COOKIES, REMOVE OLD HELP FILES, REMOVE UNUSED PROGRAMS, CLEAN OLD ENTRIES FROM WINDOWS REGISTRY, DELETE SHORTCUTS FROM STARTUP TO SPEED UP SYSTEM, DEFRAGMENT HARD DRIVE TO IMPROVE FILE ACCESS SPEED, ADVICE ON WINDOWS UPDATE PROCEDURE, UPDATE ANTIVIRUS DEFINITIONS IF INSTALLED OR PROVIDE FREE ANTIVIRUS SOFTWARE, REMOVE SPYWARE, ADWARE AND MALWARE, SET SYSTEM STARTUP WAIT TIME TO FAST, IMPROVE SYSTEM RESPOSIVENESS - Normal cost £35

Advice can be given on possible upgrades such as RAM, Hard Drives and operating systems (15% off labour cost if upgrades taken up at the same time as health check).

Also repairing iPhones and iPods please check website for details.
